

**NANAVATI INNOVATION & ENTREPRENEURSHIP DEVELOPMENT INCUBATION CENTRE (NIEDIC )  
IDEATE, CONNECT, AUGMENT**

**NIEDIC : Ideate, Connect, Augment.**

Maniben Nanavati Women's College has been a pioneer institute in Mumbai dedicated to the mission of empowering women and leading them to attain independence in social, economic and political spheres. Imparting higher education blended with skill based training programmes and preparing students for employment readiness, nevertheless making them globally responsible citizens has been an integral part of the vision, mission and goals of the college.

Innovation, entrepreneurship and incubation has been the need of the hour considering the recent prevailing winds of change encouraging the digital youth to being job-givers rather than job-seekers. NIEDIC aims to provide a suitable ecosystem to young women to brand and ideate their starts ups and thereby encourage them to venture into being entrepreneurs.
